## 1. DISPOSITION OF RECEIPTS FROM NATIONAL FOREST REVENUES

### A. Laws Comprising 16 U.S.C. 499

[Note: 16 U.S.C. 499 is an uncodified provision of law constructed by the Law Revision Counsel from the following sources: Act of March 4, 1907; Act of March 4, 1911; Act of March 4, 1917; and Act of June 7, 1924. Any amendment to 16 U.S.C. 499 must be made to the various source laws that form the section. These source laws follow the explanatory materials.]

Section 499 of title 16, United States Code, reads as follows:

**§ 499. Disposal of money received by or on account of Forest Service; refund of excess and moneys erroneously collected; receipts from permits**

All money received by or on account of the Forest Service for timber, or from any other source of national-forest revenue, including moneys received from sale of products from or for the use of lands in national forests created under section 471(b) of this title, and moneys received on account of permits for hunting, fishing, or camping on lands acquired under authority of sections 513 to 517 and 521 of this title, shall be covered into the Treasury of the United States as a miscellaneous receipt, and except as provided in sections 500 and 501 of this title<sup>1</sup>, there is appropriated and made available, as the Secretary of Agriculture may direct, out of any funds in the Treasury not otherwise appropriated, so much as may be necessary to make refunds to depositors of money heretofore or hereafter deposited by them to secure the purchase price on the sale of any products or for the use of any land or resources of the national forests in excess of amounts found actually due from them to the United States and also so much as may be necessary to refund or pay over to the rightful claimants such sums as may be found by the Secretary of Agriculture to have been erroneously collected for the use of any lands, or for timber or other resources sold from lands located within, but not a part of, the national forests, or for alleged illegal acts done upon such lands, which acts are subsequently found to have been proper and legal.

(Mar. 4, 1907, ch. 2907, 34 Stat. 1270; Mar. 4, 1911, ch. 238, 36 Stat. 1253; Mar. 4, 1917, ch. 179, 39 Stat. 1149; June 7, 1924, ch. 348, § 9, 43 Stat. 655; May 29, 1928, ch. 901, § 1(97), 45 Stat. 993.)

The principal source for 16 U.S.C. 499 is the Act of March 4, 1907 (34 Stat. 1270), which superseded previous provisions relating

---

<sup>1</sup>The words of this section reading, "except as provided in sections 500 and 501 of this title" were added by the Law Revision Counsel to relate this section to the apparent exceptions contained in 16 U.S.C. 500 and 501. These provisions are constructed from the Act of May 23, 1908, the Act of March 1, 1911, and the Act of March 4, 1913, which follow in this compilation.

to the disposal of money received from sale of products or use of any land or resources of the forest reserves.

The Act of March 4, 1911 (36 Stat. 1253), is the source of the last portion of the section beginning with the words, “and also so much as may be necessary,” etc. That Act provides that so much of the former Act “which provides for refunds by the Secretary of Agriculture to depositors of moneys to secure the purchase price of timber or the use of lands or resources of the national forests such sums as may be found to be in excess of the amounts found actually due the United States, be, and is hereby, amended hereafter to appropriate and to include so much;”.

The words of this section reading, “including moneys received from sale of products from or use of lands in national forests created under section 471(b) of this title” were derived from the fourth sentence of section 9 of Act of June 7, 1924 (43 Stat. 655), which reads as follows: “All receipts from the sale of products from or for the use of lands in such national forests shall be covered into the Treasury as miscellaneous receipts, forest reserve fund, and shall be disposed of in like manner as the receipts from other national forests as provided by existing law.”. Section 471(b) of this title, referred to in text, was based on the first and fifth sentences of section 9 of the 1924 Act. Section 9 of the 1924 Act was repealed by section 704(a) of Public Law 94-579 (90 Stat. 2792), which presumably would have also eliminated the sentence included in this section. However, the Law Revision Counsel continues to include the sentence since the repealer dealt with the implied authority of the President to make withdrawals resulting from the acquiescence of Congress, which was contained in the first and fifth sentences of section 9 of the 1924 Act.

The words “and moneys received on account of permits for hunting, fishing, or camping, on lands acquired under authority of sections 513 to 517 and 521 of this title,” are from a provision of Act Mar. 4, 1917 (39 Stat. 1149), which reads, “Hereafter, all moneys received on account of permits for hunting, fishing, or camping on lands acquired under authority of said Act [Act Mar. 1, 1911, ch. 186, 36 Stat. 961; commonly referred to as the Weeks Law] or any amendment or extension thereof, shall be disposed of as is provided by existing law for the disposition of receipts from national forests.”.

The only actual amendment referenced is the Act May 29, 1928 (45 Stat. 993), which was made to the Act of March 4, 1911, and struck out a provision which required the Secretary of Agriculture to make an annual report to Congress of the amounts refunded under this section.

Section 500 of title 16, United States Code, reads as follows:

### **§ 500. Payment and evaluation of receipts to State or Territory for schools and roads; moneys received; projections of revenues and estimated payments<sup>1</sup>**

On and after May 23, 1908, 25 percent of all moneys received during any fiscal year from each national forest shall be paid, at the end of such year, by the Secretary of the Treasury to the State or Territory in which such national forest is situated, to be expended as the State or Territorial legislature may prescribe for the benefit of the public schools and public roads of the county or counties in which such national forest is situated: *Provided*, That when any national forest is in more than one State or Territory or county the distributive share to each from the proceeds of such forest shall be proportional to its area therein. In sales of logs, ties, poles, posts, cordwood, pulpwood, and other forest products the amounts made available for schools and roads by this section shall be based upon the stumpage value of the timber. Beginning October 1, 1976, the term "moneys received" shall include all collections under the Act of June 9, 1930, and all amounts earned or allowed any purchaser of national forest timber and other forest products within such State as purchaser credits, for the construction of roads on the National Forest Transportation System within such national forests or parts thereof in connection with any Forest Service timber sales contract. The Secretary of Agriculture shall, from time to time as he goes through his process of developing the budget revenue estimates, make available to the States his current projections of revenues and payments estimated to be made under the Act of May 23, 1908, as amended, or any other special Acts making payments in lieu of taxes, for their use for local budget planning purposes.

#### **D. County Payment Mitigation as a Result of Transportation System Moratorium**

[Section 3006 of the 1998 Supplemental Appropriations and Rescissions Act (Public Law 105-174; 112 Stat. 85).]

[As Amended Through P.L. 110-343, Enacted October 3, 2008]

SEC. 3006. [16 U.S.C. 1608 note] COUNTY PAYMENT MITIGATION—TRANSPORTATION SYSTEM MORATORIUM. (a)(1) This section provides compensation for loss of revenues that would have been provided to counties if no road moratorium, as described in subsection (a)(2), were implemented or no substitute sales offered as described in subsection (b)(1). This section does not endorse or prohibit the road building moratorium nor does it affect the applicability of existing law to any moratorium.

(2) The Chief of the Forest Service, Department of Agriculture, in his sole discretion, may offer any timber sales that were scheduled October 1, 1997, or thereafter, to be offered in fiscal year 1998 or fiscal year 1999 even if such sales would have been delayed or halted as a result of any moratorium (resulting from the Federal Register proposal of January 28, 1998, pages 4351-4354) on construction of roads in roadless areas within the National Forest System adopted as policy or by regulation that would otherwise be applicable to such sales.

(3) Any sales offered pursuant to subsection (a)(2) shall—

(A) comply with all applicable laws and regulations and be consistent with applicable land and resource management plans, except any regulations or plan amendments which establish or implement the moratorium referred to in subsection (a)(2); and

(B) be subject to administrative appeals pursuant to part 215 of title 36 of the Code of Federal Regulations and to judicial review.

(b)(1) For any previously scheduled sales that are not offered pursuant to subsection (a)(2), the Chief may, to the extent practicable, offer substitute sales within the same State in fiscal year 1998 or fiscal year 1999. Such substitute sales shall be subject to the requirements of subsection (a)(3).

(2)(A) The Chief shall pay as soon as practicable after fiscal year 1998 and fiscal year 1999 to any State in which sales previously scheduled to be offered that are referred to in, but not offered pursuant to, subsection (a)(2) would have occurred, 25 percent of any anticipated receipts from such sales that—

(i) were scheduled from fiscal year 1998 or fiscal year 1999 sales in the absence of any moratorium referred to in subsection (a)(2); and

(ii) are not offset by revenues received in such fiscal years from substitute projects authorized pursuant to subsection (b)(1).

(B) After reporting the amount of funds required to make any payments required by subsection (b)(2)(A), and the source from which such funds are to be derived, to the Committees on Appropriations of the House of Representatives and the Senate, the Chief shall make any payments required by subsection (b)(2)(A) from any funds available to the Forest Service in fiscal year 1998 or fiscal year 1999, subject to approval of the Committees on Appropriations of the House of Representatives and the Senate, that are not specifically earmarked for another purpose by the applicable appropriation Act or a committee or conference report thereon.

(C) Any State which receives payments required by subsection (b)(2)(A) shall expend such funds only in the manner, and for the purposes, prescribed in section 500 of title 16, United States Code.

(c)(1) During the term of the moratorium referred to in subsection (a)(2), the Chief shall prepare and submit to the Committees on Appropriations of the House of Representatives and the Senate a report on each of the following—

(A) a study of whether standards and guidelines in existing land and resource management plans compel or encourage entry into roadless areas within the National Forest System for the purpose of constructing roads or undertaking any other ground-disturbing activities;

(B) an inventory of all roads within the National Forest System and the uses which they serve, in a format that will inform and facilitate the development of a long-term Forest Service transportation policy; and

(C) a comprehensive and detailed analysis of the economic and social effects of the moratorium referred to in subsection (a)(2) on county, State, and regional levels.

(2) land acquired by a State through an exchange with the United States if such land was entitlement land as defined by this chapter; or

(3) land in Utah acquired by the United States for Federal land, royalties, or other assets if, at the time of such acquisition, a unit of general local government was entitled under applicable State law to receive payments in lieu of taxes from the State of Utah for such land: *Provided, however,* That no payment under this paragraph shall exceed the payment that would have been made under State law if such land had not been acquired.

Bureau of Labor Statistics of the Department of Labor, for the 12 months ending the preceding June 30.

**§ 6904. Additional payments**

(a) In addition to payments the Secretary of the Interior makes under section 6902 of this title, the Secretary shall make a payment for each fiscal year to a unit of general local government collecting and distributing real property taxes (including a unit in Alaska outside the boundaries of an organized borough) in which is located an interest in land that—

(1) the United States Government acquires for—

(A) the National Park System; or

(B) the National Forest Wilderness Areas; and

(2) was subject to local real property taxes within the 5-year period before the interest is acquired.

(b) The Secretary shall make payments only for the 5 fiscal years after the fiscal year in which the interest in land is acquired. Under guidelines the Secretary prescribes, the unit of general local government receiving the payment from the Secretary shall distribute payments proportionally to units and school districts that lost real property taxes because of the acquisition of the interest. A unit receiving a distribution may use a payment for any governmental purpose.

(c) Each yearly payment by the Secretary under this section is equal to one percent of the fair market value of the interest in land on the date the Government acquires the interest. However, a payment may not be more than the amount of real property taxes levied on the property during the last fiscal year before the fiscal year in which the interest is acquired. A decision on fair market value under this section may not include an increase in the value of an interest because the land is rezoned when the rezoning causes the increase after the date of enactment of a law authorizing the acquisition of an interest under subsection (a) of this section.

(d) The Secretary may prescribe regulations under which payments may be made to units of general local government when subsections (a) and (b) of this section will not carry out the purpose of subsections (a) and (b).

**§ 6905. Redwood National Park and the Lake Tahoe Basin**

(a) The Secretary of the Interior shall make a payment for each fiscal year to each unit of general local government in which an interest in land owned by the United States Government in the Redwood National Park is located. A unit may use the payment for any governmental purpose. The payment shall be made as provided in section 6903 of this title and shall include an amount payable under section 6903.

(b)(1) In addition to payments the Secretary makes under subsection (a) of this section, the Secretary shall make a payment for each fiscal year to each unit of general local government in which is located an interest in land—

(A) owned by the Government in the Redwood National Park; or

(B) acquired in the Lake Tahoe Basin under the Act of December 23, 1980 (Public Law 96-586, 94 Stat. 3383).

(2) The payment shall be made as provided in section 6904 of this title and shall include an amount payable under section 6904. However, an amount computed but not paid because of the first sentence of subsection (b) and the 2d sentence of subsection (c) of section 6904 shall be carried forward and applied to future years in which the payment would not otherwise equal the amount of real property taxes assessed and levied on the land during the last fiscal year before the fiscal year in which the interest was acquired until the amount is applied completely.

(3) The unit of general local government may use the payment for any governmental purpose.

(4) The Redwoods Community College District is a school district under section 6904(b) of this title.

#### **§ 6906. Authorization of appropriations**

Necessary amounts may be appropriated to the Secretary of the Interior to carry out this chapter. Amounts are available only as provided in appropriation laws.

#### **§ 6907. State legislation requiring reallocation or redistribution of payments to smaller units of general purpose government**

(a) Notwithstanding any other provision of this chapter, a State may enact legislation which requires that any payments which would be made to units of general local government pursuant to this chapter be reallocated and redistributed in whole or part to other smaller units of general purpose government which (1) are located within the boundaries of the larger unit of general local government, (2) provide general governmental services and (3) contain entitlement lands within their boundaries. Such reallocation or redistribution shall generally reflect the level of services provided by, and the number of entitlement acres within, the smaller unit of general local government.

(b) Upon enactment of legislation by a State, described in subsection (a), the Secretary shall make one payment to such State equaling the aggregate amount of payments which he otherwise would have made to units of general local government within such State pursuant to this chapter. It shall be the responsibility of such State to make any further distribution of the payment pursuant to subsection (a). Such redistribution shall be made within 30 days after receipt of such payment. No payment, or portion thereof, made by the Secretary shall be used by any State for the administration of this subsection or subsection (a).

(c) Appropriations made for payments in lieu of taxes for a fiscal year may be used to correct underpayments in the previous fiscal year to achieve equity among all qualified recipients.
